CARSON GRAHAM
SECONDARY

June 3, 2016

Dear Parent/Guardian:

As we near the end of the 2015-16 school year I want to provide final clarification on our year-end schedule and procedures.

June 15 (Wednesday): Locker Clean out
Students are encouraged to bring some bags from home for books and personal items. Homeroom teachers will provide students with a locker form and a form with any outstanding student fees.

June 16-21 (Thursday-Tuesday): AM/PM Schedule
These days will be divided into AM/PM sessions with only two blocks per day. This extended instructional time will be used for students to participate in any final assessment, projects or curricular field trips. Please see the full June schedule for the block rotation and note our last day of food service will be on Tuesday, June 21st.

June 22-24 (Wednesday-Friday): Review, Completion & Enrichment
Wednesday, June 22nd will be a combination of provincial exams and grade specific lessons. These three days will offer students the opportunity for review, completion and enrichment. Again, please see our website for the complete June schedule. All teachers will be communicating by *Monday, June 13* with parents and guardians of those students recommended to participate in our review and completion classes. These sessions will offer students the opportunity to address any learning gaps or outstanding work. Your child may still be recommended to attend summer programs if a passing grade has not been achieved. Please visit Summer School website for more information: http://www.sd44.ca/school/summer/Pages/default.aspx.

Students wanting to participate in enrichment courses will be asked to inform their teachers directly. Enrichment sessions will provide an opportunity for students to preview next year's course material.

June 27 (Monday): Community Stewardship & Personal Project
*Grade 8 Students will be participating in Community Stewardship activities. Separate communication outlining these activities will follow.
*Grade 9 students will be involved in activities associated with Personal Project.

June 28 (Tuesday): Yearbook Distribution
All fees must be paid in order to receive your yearbook. Students that have paid for a yearbook will pick up their yearbook at the specified times below and students that have not purchased a yearbook are still encouraged to attend as the Parent Advisory Council will be hosting a BBQ throughout the day in the Agora.

Grade 12:	10:00am
Grade 11:	11:00am
Grade 8:	12:00am
Grade 9:	12:45pm
Grade 10:	1:30pm

June 29 (Wednesday): Report Cards published on Parent Portal
Staff will be wrapping up for the school year and are available for any questions surrounding final report cards.

June 30 (Thursday): Administrative Day

Kind Regards,

Karim Hachlaf
Principal
