BRITISH COLUMBIA | MyEducationBC

The year in review

Update:

✓ Overview of Provincial Implementation

BRITISH COLUMBIA | MyEducationBC

District Goals:

✓ Implementation of:
- ✓ Elementary January 2015
- ✓ Secondary September 2015

✓ Replace BCeSIS and third party software

The year in review

Ministry Goals:

✓ parents to connect with educators

✓ teachers to collaborate and share learning materials

✓ support the BC Education Plan's

✓ parents and students to monitor progress on a continual basis and communicate with teachers and school-based staff

✓ students to submit work online

✓ teachers to collaborate and share learning materials across schools or districts

✓ province-wide solution that maintains a single record for each student throughout their entire education journey, from pre-kindergarten to high school graduation.

Our journey so far …

- Fall 2013 - Planning for implementation
  - Revised planning for implementation
  - June → delay implementation until DEC
  - Committees reviewed district business processes and protocols
- Spring 2014 - School Awareness Sessions
  - Training sessions/ overview for clerical, admin and ESC staff
  - Portal updates and links to training videos
  - School teams meeting in June
- Ongoing:
  - Preparing training documents
  - Data clean up
