

# Math 44

Teaching for Proficiency

North Vancouver  
**School District**  
the natural place to learn®

The North Vancouver School District's **Math 44: Teaching for Proficiency** document is designed to support classroom teachers of mathematics; based on current research and pedagogy.

Math 44 aligns 100% with the 2007 Ministry of Education Mathematics IRP.

## Document Details

**Math 44: Teaching for Proficiency** is available in:

- Kindergarten
- Primary (Grades 1-3)
- Intermediate (Grades 4-7)
- Secondary (Grades 8/9)  
(Note: This version is available for purchase at [resources44@sd44.ca](mailto:resources44@sd44.ca))

**Supporting Math 44 resources also available:**

- Math 44 French Graphic Organizers (Kindergarten or Grades 1-9)

The **Math 44: Teaching for Proficiency** document includes: Habits of “good” math learners, Topic Pages containing the Learning Outcomes, exploration ideas, strategies for instruction and assessment, and suggestions for differentiation. Also included are: an Everyday Math section, a wide variety of instructional strategies, graphic organizers linked to the activities in the topic pages, and an extensive glossary of mathematics terms.

## Workshops

The North Vancouver School District provides introductory workshops for each of our resources. All workshops provide a philosophical framework, as well as practical hands-on classroom activities to promote best teaching practices. To book a workshop, please contact Joanne Robertson, Director of Instruction, Learning Services ([jrobertson@sd44.ca](mailto:jrobertson@sd44.ca))
