

January 30, 2023

Good afternoon Argyle Families,

We have reached the midpoint of this school year with Semester 1 classes wrapping up last Friday. Today and tomorrow are review and completion days for any students needing to complete Semester 1 work. Students should reach out to their teachers on Teams to make appointments. Wednesday is 'Semester Turnaround Day' and is for staff only.

Thursday is the first day of Semester 2. Students should go directly to their period 5 class for a 9:15am start. Students are encouraged to arrive by 9:00am so they have time to find their class. The block order on Thursday is 5678 and Friday is 6758. The semester schedule is in the link below.

Student schedules are available to view in MyEd. Instructions for students to log into MyEd and view their schedule is in the second link below. This information can also be accessed from the banner at the top of the Argyle website homepage.

As we prepare for Semester 2, please have a look around your home for any Argyle textbooks, novels, or resources. We have many outstanding textbooks from Semester 1 that are needed for Semester 2. Please drop by the school and put any textbooks and novels in the library book slot today or tomorrow.

Lastly, a reminder that the last day to purchase a yearbook through School Cash Online is Wednesday, February 1st. We do not order extra yearbooks to sell in June. Yearbooks are \$50.00 each.
