

April 27, 2023

Good afternoon Grads,

There are three things you need to ensure are completed over the coming week or two:

1. Complete your **Capstone Presentation** by Friday, May 5<sup>th</sup>. If you have any questions, please contact your CLC 12 teacher or the teacher you have been assigned to for your presentation.
2. From the 2023 Yearbook crew: All grad yearbook portraits and quotes were posted on the office windows last Monday. Please confirm your name, quote and baby photo are correct before this Friday. If corrections are needed, please message Ms. Uphoff or see her in room 137. If your photo is missing, please see the office.
3. **Graduation Ceremony Convocation Write-up – Due Friday, May 12<sup>th</sup>**

The Grade 12 Convocation Ceremony Profile is for every grade 12 student participating in the Graduation Ceremony on June 25<sup>th</sup>. It is a statement grads write about themselves that is read as they cross the stage at the Orpheum. Grade 12 students need to fill out [THIS FORM](#) below by May 12<sup>th</sup>. The form has several examples to help guide students in creating their write up. A QR code with this link is also posted on Argyle's office windows. URL to form: <https://forms.office.com/r/HEvkN4ft6G>

Thanks,  
Ms. Jonat
