

Kindergarten Readiness Experiences

In collaboration with the North Shore Early Years Centres we are pleased to be offering preschool play based experiences for children entering Kindergarten in September 2018, who have *not attended pre-school or have had very little experience in group settings* with other children. These five-week series will be offered at three school-based Strong Starts and are open to any child who will be attending kindergarten in September 2018 at any school in the North Vancouver School District. Each child and their parent is welcome to join us for time to play and learn in a classroom setting. A light, child-friendly supper will be served at the evening events at Boundary and Seymour Heights, and nutritious snacks will be included in the afternoon series at Eastview. Class size is limited so please register for only *one* of the three series. You may attend *all five* dates in one series.
