

Please ... No Dogs on School Property

Last year a small number of unfortunate incidents occurred between dogs and students on the school playground. This prompts us to remind you of the District of North Vancouver by-law prohibiting dogs from certain public spaces such as school grounds – (for exact wording of the regulation 5981, please refer to the North Vancouver District website restricting dogs from school grounds).

While our four-legged friends are usually just that - friends – some children at school are allergic to dogs while others can often be frightened of them. Even when leashed or tethered to a fence, dogs can be unpredictable especially when the owner is not present. In other cases, and despite many owners best efforts, they can and do leave ‘calling cards’ on the playgrounds – not pleasant for anyone who may step or slide into them unintentionally...

Thank you in advance for helping us maintain a safe and pleasant environment for all members of our school community.
