

**Pool & Play Pass available again - \$25 for a whole summer of fun!**

NVRC (North Vancouver Recreation & Culture Commission) will be offering the very popular Pool & Play Pass again this summer.

The Pool & Play pass includes unlimited swimming, skating and admission to Open Gym sessions from Friday, June 30th – Monday, September 4th. It's unbeatable value at just \$25.00 per child.

At popular events there can be line-ups at the Front Desk; it's recommended to get your card in advance of the start date. If you already have a Pool & Play Pass, you can renew online and new purchases can be made online – the card will be printed at the facility though.

There is also a price break for adults swimming or skating with children, accompanying adults pay the family rate of \$3.05 per adult (including taxes).

More information is available at: [www.nvrc.ca/poolandplay](http://www.nvrc.ca/poolandplay)

**Get Active Outdoors with our Playground Leaders In the Park**

Children and adults of all ages, backgrounds and abilities are welcome. Join our playground leaders this summer for some FREE fun in select North Vancouver parks!

Participants drop-in and may come and go as they please. Young children (we recommend under 6 years) should be accompanied by a caregiver. Daycare groups are very welcome.

A day at the park may include tag, painting, and water play or Man Hunt, a forest scavenger hunt and card games. Our friendly leaders are on hand to lend out equipment and share fun ideas. Activities are unstructured and self-serve. Park leaders are able to provide more information.

Our staff members are caring adults who are trained in First Aid and Healthy Child Development (High Five). Their role is to be a host, facilitate play and help neighbours connect.

The locations and schedules can be viewed at: [www.nvrc.ca/parkplay](http://www.nvrc.ca/parkplay)

We also provide regular news and ideas via Facebook at: [www.facebook.com/northvanrc](https://www.facebook.com/northvanrc) and Twitter at: [www.twitter.com/northvanrc](https://www.twitter.com/northvanrc)
