

# **ANNOUNCEMENTS FOR**

## **Fri. Oct. 6th, 2023**

Grads, please meet on the bleachers on the turf field at 1:00pm sharp for your kindergarten day photos. Yearbook students will take group photos on the field.

Carson, do you want to win a free yearbook? Have your photo published as a double page spread in the 2024 yearbook? The fall photo contest is here, and it will be running until October 30th. If you have any questions, please see Ms. Bowcott in D106 or check your grade teams!

Wasn't Club Day fun! The first meeting of D&D Club will be today at lunch. This is an information session only, and all are welcome to ask questions about how the game works. See you in A205 Science, for D&D.

The Global Initiatives team will be selling freezies today at lunch in the Agora as a fundraiser for their service trip to the Dominican Republic. Two dollars a freezie. Come on down to the Agora to support their fundraiser!

Are you fluent (written and verbally) in Farsi, French, Japanese, Korean, Mandarin, Spanish or Punjabi? If so, you may wish to write the challenge exam and earn extra credits. Please attend an important meeting this Friday in the library classroom to learn more.
