The Homework club is open again today after school. Drop by if you need help. It's best to get your homework and studying done before the winter break!

Student council would like to remind everyone that Friday is ugly sweater day!

2 days left to donate gently used warm scarves that would benefit the less fortunate. Also don't forget the soup! Please donate them to the "soups & scarves" fundraiser for homeless families. We will be accepting donations until Dec. 15. Please drop all donations in the marked box located in the counselling office across from the library.

Carson's Mental Wellness Club presents The Gratitude Tree.

Across from the Library sits a beautiful tree that we hope to cover with white peace doves.

These peace doves will represent something that you are grateful for in your life. Please join us at lunch this week in front of the library to fill out your peace dove, something or someone that you are grateful for and place it on the tree. Did you know that the act of gratitude, being thankful, actually helps to give us higher levels of alertness, enthusiasm and energy. It helps us to improve our self esteem and self confidence as well. Stop by our Gratitude tree and learn about other ways that Gratitude can improve your well being.
