Your clay work that was in the display case is now ready for pick up, as well as the bowls you made. Please pick up before the break. These items would make lovely Christmas gifts so come down to room D102 to get your art.

Attention all grads! Mountain West will be doing grad photo re-takes on December 8th. Visit www.mountainwest.ca and click "Book a Photo Session" to select your time.

Project Soups & Scarves: We are looking for gently used warm scarves that would benefit the less fortunate. Please donate them to the "soups & scarves" fundraiser for homeless family's. We will be accepting donations until Dec. 15. We will then be visiting the family's on Dec. 18 where we also will be dishing up warm soup so we are also looking for donations of cup of soup packets, canned soup or tetra packs. Please drop all donations in the marked box located in the counselling office across from the library.

Let's all bring some warmth to the Holiday Season! Thank you in advance!!
