We are excited to announce that we have completely filled all of the seats for Winter Formal on November 29. However, because of the anticipation surrounding the event, we have made arrangements to accommodate additional **Carson Graham grade 12 students** who wish to still buy a ticket for winter formal, as we want to make this event as inclusive as possible for our graduating class. Unfortunately, we will no longer be offering guest tickets, as those were available on a first come first served basis, and we would like to make sure that as many graduates as possible will be able to attend.

Grade 12 students who would still like to purchase a ticket, they will be on sale in room C203 during lunch this week. **Tickets must be purchased by Friday, November 18th, no exceptions.** If you have any questions, please contact the grad sponsors, Ms. McDowell and Mr. Bolivar.

Students interested in earning their Duke of Edinburgh award, there will be a meeting from the Duke of Edinburgh commissioner tomorrow in E202. We are meeting at 3:15. The Duke of Edinburgh award is well regarded throughout the world and looks great on your resume. If you are interested, please come out and hear about what it takes to earn this prestigious award.

Did you know that 1 in 3 teenagers suffer from anxiety at some point in their life. **Today at lunch** in the **Theatre** all students are welcome to join us for a presentation on mental health presented by Andrea Paquette 'the Bipolar Babe' from the Stigma Free Zone. Bring your lunch and learn more

about mental health, where to get help or how to support a friend or family member. See you all there.

Congratulations to the Senior Girls Field Hockey Team for placing fourth at the AAA Senior Girls Field Hockey Provincials held last week in Surrey. The girls should be very proud of their effort. They battled through injury, missing players, and the weather conditions to make it to the final four. Well done girls.

Wrestling practice after school today in the small gym. Newcomers welcome.
