Hello everyone we have started project called "Soups and Scarves". We thought there is no better time than the holidays to bring warmth to those who need it most. On December 18th we will visit the less fortunate and give away scarves and bowls of warm soup to those who need to be warmed on the inside and out.

Do you have a gently used warm scarf in the back of your closet that you don't want or need anymore? Then just donate it to the "soups and scarves" fundraiser for homeless family's that would love to have them. We will welcoming donations for this fundraiser until December 15 so be sure to donate any warm scarves that you don't need to make a big difference in someone's life.

Also- if you happen to have some cupa soup packets (like Lipton chicken noodle soup for example, canned soup or Tetra packs of soup) please donate those too so we can make as much warm soup as possible.

Please drop all donations in the marked box located in the counselling office across from the Library....
