

Study Block Application

Criteria:

You may apply for a study block if you meet ALL of the following criteria:

- You are a Grade 11 or Grade 12 student
- You have a challenging course load or extraordinary extra-curricular commitments
- You have a good attendance history (Grades 8-12)
- You have a good record of citizenship

Responsibilities:

If a study block is granted to you:

1. During your study block you are expected to be:
 - a. In the cafeteria/gallery studying
 - b. In the library studying
 - c. In a classroom with a teacher's permission
 - d. Under the supervision/responsibility of your parents or guardian if you are off campus

You must check in at the command post on the field in the event of an emergency evacuation of the school.

2. The study block is not worth any course credit. By carrying less than a full course load, you will have fewer credits towards graduation. Your decision may impact your post-secondary options. It is your responsibility to determine how a study block will affect your graduation status and post-secondary choices.

Please note: As per District Policy, students must be enrolled in a minimum number of courses to be eligible for school honour roll. Consideration will also be given to a student's course load when determining scholarship candidates.
