

Lynnmour/Xá7elcha

March 31st, 2023

We would like to acknowledge and thank the Coast Salish people whose traditional territory North Vancouver School District resides on. At Lynnmour/Xá7elcha we are grateful to the Skwxwú7mesh and səlilwəta+ with whom we share this beautiful land we live, learn and grow on together.

Lost and Found

Please note that there is a considerable amount of items that have been lost throughout this year. Everything from t-shirts, to hoodies, to socks and pants are hanging on our lost and found hooks (that has grown to encompass three walls at the moment) Our hope is that classes, students and families will be able to take a pass along these hooks and find any lost belongings that may be here at the school. We intend to clear off the hooks by the end of April.

Scooters, Bikes and Skateboards

Please note that during the school day, scooters, bikes and skateboards are not to be ridden on the school grounds. This includes 20 mins before and after school day hours. 8:20-3:00 no one should be riding around the school for the safety of everyone. With the weather improving we want to ensure a safe and calm school yard environment for all. Your support with this (as parents on the school grounds) and in reminding your children is helpful! Please also note that if students are riding to and from school, it is expected that they are wearing a helmet for their safety and protection (it is required) and that they are able to lock up their bikes independently outside on the bike racks at the front or back of the school.

Student Learning Survey (action)

During the months of January to April, the North Vancouver School District (44) is participating in the 2023 Ministry of Education Electronic Anonymous Student Learning Survey Project in cooperation with all other school districts throughout the Province. We would love your feedback!
