

Queensbury Track and Field Participation Agreement

As a member of Queensbury's track and field team, I am committed to participate freely and support my fellow athletes in contributing to the success of the team.

I understand and agree to the following:

- I will attend all practice as set out by my coaches. If I must miss a practice for illness or unavoidable appointments, I will report to my coach as soon as possible on my return to school. If I have two or more unexcused absences, I will not be able to compete in any meets, but I may continue practicing at the discretion of my coaches. A significant number of excused absences may result in not being able to participate in meets.
- In order to compete in an event at school-sanctioned meets, I must have attended school practices in that event.
- I am participating of my own free will, and may choose to withdraw at any time. If I withdraw, I agree to notify my coach as soon as possible
- Track and Field coaches and officials are volunteers (teachers and parents) and I agree to treat them with respect at all times.
- I will follow Queensbury's Code of Conduct, as I represent my school at practices and meets.
- I will follow the Fair Play Code as set out by the NVEAA, and act with sportsmanship and integrity towards other athletes and coaches at all times.

Student Signature _____ Date _____

I have discussed this with my child and support their commitment to the track and field program and will help them to follow the Queensbury Track and Field Participation Agreement.

Parent Signature _____ Date _____
