August 27, 2018

To the Graduating Class of 2019!

Welcome back to Seycove for your graduating year! I am looking forward to working with all of you.

You are now the leaders in the school and follow in the footsteps of other graduating classes that have helped to create the outstanding reputation of Seycove as a school of excellence, caring and compassion. We look forward to seeing how each of you will contribute positively to the Seycove community and how you will continue to develop and grow as a person throughout the year as you head towards graduation and your post-secondary school life.

Grade 12 is an exciting time and a year for you to reflect back on the journey that has brought you to this point and the hopes and dreams you have for your future. Use these reflections to focus on the tasks you have before you in your final year of high school. Build new and positive relationships with staff and students and maintain and foster the current relationships you have in a year that will provide a lifetime of memories for you.

As the leaders in the school, you are expected to take on the mantle of responsibility. You are role models for the students in other grades; students who will look up to you and emulate your actions. The reputation of Seycove rests upon your shoulders in the community beyond our walls and positive actions on your part do, and will make a difference; "Pay it Forward" in your actions. I challenge you to stand up and make a positive contribution. As you act locally, reach out to the global world to be informed and ready yourself for the future that waits. Act with C.L.A.S.S. and demonstrate to the school what it means to be part of the Seycove community.

Finding a balance between all of the various activities in your life is important, however, your focus and your job for the upcoming year is to immerse yourself in your course work while preparing to follow your post-secondary dreams and aspirations. Your Grad Council will be planning a number of events that will provide an opportunity to have fun and enjoy your final year at Seycove with your classmates.

I am proud and honoured to be the Principal of Seycove and to be associated with the grad class of 2019.

Sincerely,

Ms. Pamela Craven
Principal
