## What is the Capstone Presentation?

- The Capstone is a rigorous learning opportunity and is a requirement for Career Life Connections 12 and for graduation.
- It is a presentation of students personal learning journeys and provides an opportunity for them to reflect and celebrate their journey with an audience.

## What information should it include?

---

- The purpose of the Capstone is for students to demonstrate the knowledge, core competencies, interests and passion(s) that they can offer the world.
- Should include personal interests, strengths and plans for their future.
- It can include photos, examples, awards, medals, musical instruments, art projects, experiences, etc.
- Reflect on a wide variety of activities and people throughout their lives that have guided them to graduation.
