

Board of Education Public Meeting

Tuesday, October 21, 2025

6:30 – 9:30 p.m.

1

Healthy Futures

Tine Parker
District Principal

2

Goals and Intentional Focus

FESL Strategy:

- committed to supporting student's health and wellness by maintaining universal food access, strengthening outdoor place-based learning, and building physical literacy through mentorship and networks of practice with community partners where available.

3

Food Access

Continuing:

- Breakfast programs in high schools
- Individual school food access programs
- Fresh fruit/vegetable weekly deliveries
- Strong community connections (local food producers, support network)
- Lunch access targeting Indigenous, in care and need students
- Pro D for staff

4

New in Food Access

- Universal lunch programs in elementary schools (Cove Cliff/Lynn Valley and growing)
- Targeted lunch programs Carson/Windsor in specific locations
- Targeted food access elementary schools
- Mountainside food access in house
- Food supplied by local producers

5

Physical Literacy

Continue:

- Mentorship with teachers and classes
- Professional Development Days training
- Training staff/students in recess activities

New:

- Games booklet, sharing of new resource

6

Coming this Year in Physical Literacy

- OneAbility Games
- SD 44 students with physical disability and/or neurodiverse learners
- K-Grade 12 students
- Celebration of physical activities
- June 9th at Sutherland Secondary
- Jr. Canucks floor hockey season

7

Outdoor Learning

Continue:

- Mentorship with teachers and classes
- Gardening support

8

Community Initiatives

- Planting with Brooksbank Grades 4 & 5 students and City of North Vancouver
- Traffic measures around schools in May 2026 with District of North Vancouver
- VCH health initiatives - Grades 2, 6, 7 and secondary students
- Gardening expansion with NSNH
- Clothing drive and distribution
- Food and diaper donations to charities
- Soccer balls from NVFC
