

North Vancouver  
School District  
the natural place to learn<sup>®</sup>

# Sustainability Update

SEPTEMBER 24, 2019

## Our Sustainability Vision

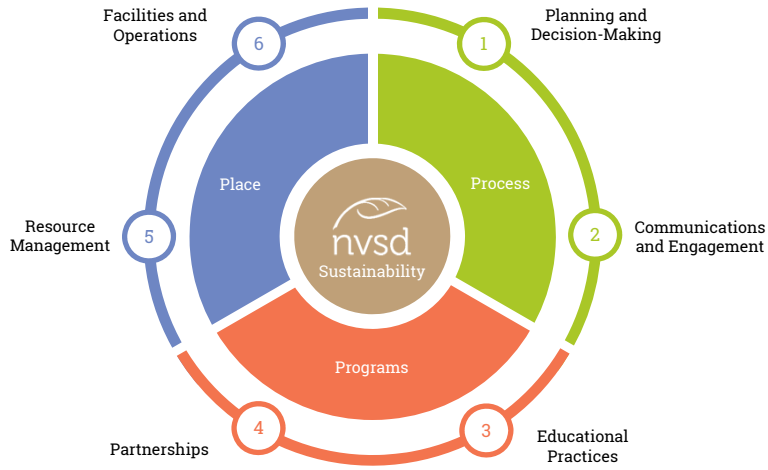

*“We believe a sustainable school district is one where all staff and students value, model and actively contribute to a positive relationship with the Earth.”*

Caring

# District-wide Strategy

# Sustainability Initiatives

# Waste Management

# Paper Consumption

# School Food

# Strategic Energy Management

# Retrofit Projects

# Carbon Neutrality

# Climate Action

## MITIGATION

Actions to reduce emissions that cause climate change

## ADAPTATION

Modifying our actions to adjust to a changing climate

# Example Actions

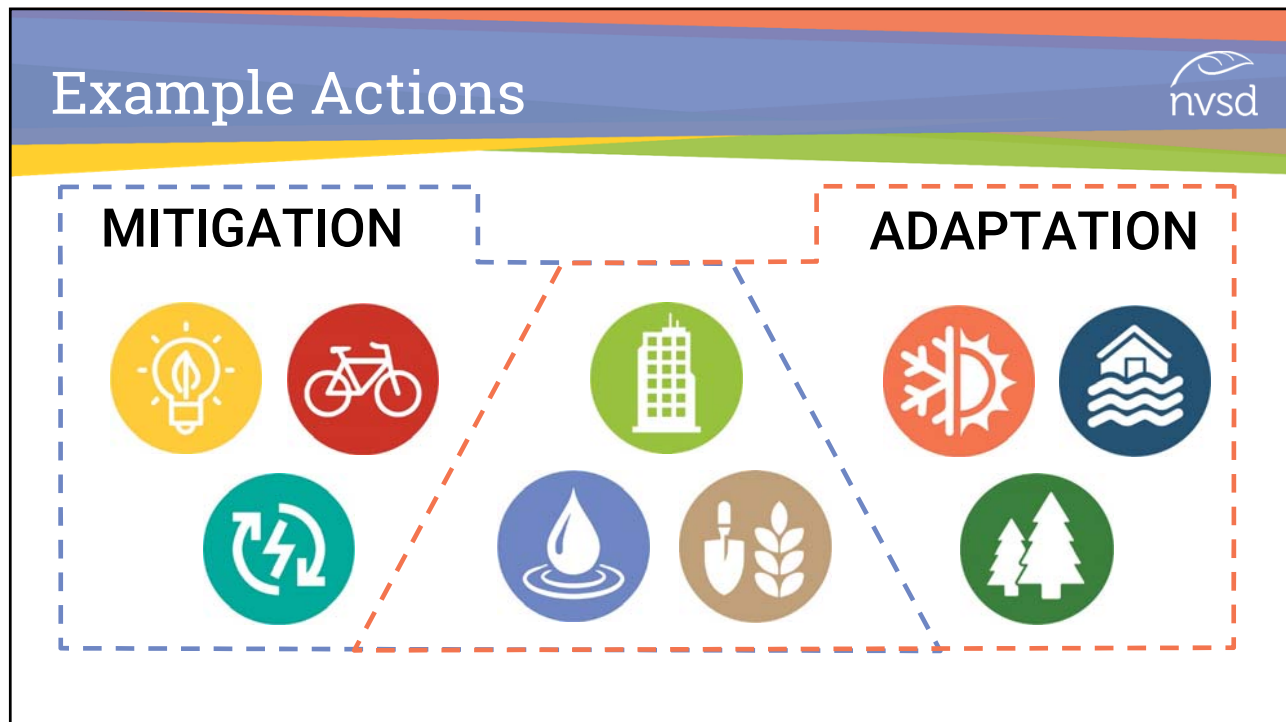

## MITIGATION

## ADAPTATION

## Thank You
