## Streamlining Communications

How the school district is working  
to communicate better with parents

The North Vancouver Parent Advisory Council and the North Vancouver School District invite all parents to an event focused on enhancing communication with parents. Over the past several years, efforts have been made to better communicate with parents. Deneka Michaud, Communications Manager with the school district, will explain to parents what has taken place and what is still to come, and will then seek feedback about future improvements. Please join us for an important and lively discussion about enhancing communications between parents and the school district/schools.
