Parent event – Streamlining Communications

How the school district is working to communicate better with parents

All parents/guardians are invited to join the North Vancouver Parent Advisory Council for an event on Wednesday, November 28, 2018 from 7-9 p.m. at the Education Services Centre (2121 Lonsdale Ave, 5th floor). Over the past several years, the North Vancouver School District has been making efforts to better communicate with parents. This year, large changes have taken place to streamline communications and increase ease and accessibility. Deneka Michaud, Communications Manager with the school district, will explain to parents what has taken place and what is still to come, and will then seek feedback about future improvements. Please join us for an important and lively discussion about enhancing communications between parents and the school district/schools.

Litterless Lunch

As part of our overall waste management efforts, the North Vancouver School District is running a district-wide “Litterless Lunch” campaign from November 15-30, 2018. The campaign builds upon the efforts of schools that already have successful “Litterless Lunch” programs, also known as “Boomerang Lunches” and “Pack it Out Lunches”. Students and staff are encouraged to bring lunch items with reduced packaging and then to take home any lunch-related waste such as recyclable items and unavoidable packaging. We are tracking school participation and monitoring waste across the entire school district to quantify the impact of our efforts. We have had excellent participation and support thus far!
