Explore & Create Saturday Art Program

Children aged 5 to 12 are invited to visit the Gordon Smith Gallery on Saturdays between 1 and 3 p.m. for art activities that are collage and drawing

based and inspired by the current exhibition, [Beyond the Horizon](#). Admission is by donation (\$5 suggestion per attendee) and parental/guardian supervision is required. Click [HERE](#) for more information. Note: the Gallery is closed over the Winter Break (December 23, 25 and 30, 2021 and January 1, 2022).

Gordon Smith Gallery of Canadian Art: Beyond the Horizon

This year's fall exhibition, Beyond the Horizon, is an expression that encourages us to consider what is "farther than the possible limit of sight, beyond what we can foresee, know or anticipate." It is both visual – what we see – and conceptual – what we know. The horizon as a metaphor provides us with an opportunity to challenge and evaluate our own ways of knowing. The artists in this exhibition expand conventional uses of materials and explore modes of making through collaboration with other artists and the land. Click [HERE](#) for more information, including gallery hours. Note: the Gallery is closed over the Winter Break (December 23, 25 and 30, 2021 and January 1, 2022).

Call for Norgate Food Initiatives

If you or someone you know is running a community food program or project in the Norgate neighbourhood and surrounding area, Table Matters would like to invite you to an event to connect and learn together about needs and opportunities. In addition, if your organization is already running a food-related or community-building event, Table Matters would love to hear if they could partner with you. For more information, visit Table Matter's [Neighbourhood Food Collaborative Project](#) or contact Meryn Corkery at meryn.corkery@farmtoschoolbc.ca.

Research Study for Children ages 4 to 9

The Phono Lab in SFU's Linguistics Department is recruiting child participants for a research study that investigates how children learn complex sound patterns in English. Children between the ages of 4 and 9 will connect with the researchers for approximately 30 minutes over Zoom at a time that is convenient for your family. (This study does *not* require an in-person visit.) Children will play a few research "games" with research assistants and will receive stickers and a certificate for participating. For additional information or

to enroll your child, please contact phono@sfu.ca; an informational poster is available [HERE](#).

Homestay Families Needed

Each year, the North Vancouver School District welcomes students from around the world to live and study in our vibrant community. We strive to place secondary school international students with families who live close to school to support each student's integration into the school and wider community.

There are secondary school international students in need of a homestay placement for the school term beginning February 2022. If you are interested in hosting an international student, please reach out to our International Education program office at international@sd44.ca. More information about the homestay program is available [HERE](#).
