## Announcements

### ESC Closed Morning of Tuesday, May 3

The Education Services Centre (ESC), located at 2121 Lonsdale Avenue, will be closed to the public the morning of Tuesday, May 3, from 9 a.m. to 10 a.m., for staff health and safety training and drills.

### Emergency Preparedness Week – May 1 to 7

Emergency Preparedness Week encourages Canadians to take concrete actions to be better prepared to protect themselves and their families during emergencies. Natural disasters may be beyond our control, but there are ways to reduce the risk and impact of whatever emergency we might face.

If you're just starting out on your personal emergency preparedness journey, here are some great starting points:

- Stock up on bottled water. Four litres per person per day, for a minimum of 3 days.
- Stock up on emergency food. Have a *minimum* 3-day supply of ready-to-eat foods that do not require refrigeration or cooking. Don't forget the pet food!
- Gather emergency supplies. First Aid kit, flashlight with extra batteries, battery-powered radio, work gloves, personal sanitation supplies (garbage bags/moist towelettes), whistle, and dust mask.
- Make a family plan. Where will you meet? Who will pick up your children from school if you aren't able to get there? Talk this through with your family.

For additional information, visit [North Shore Emergency Management](#) or [PreparedBC](#). And don't forget to attend the [NVSD's Outdoor Safety & Emergency Preparedness Open House](#) on Saturday, May 7 (details below).

### **2022/2023 Secondary School Timetable and Weekly Schedule**

Earlier this year, the school district engaged in a comprehensive process that involved surveying secondary students, their families and staff; and consultation with secondary school administration and staff. From this process of engagement, the NVSD will adopt the following secondary school timetable for the 2022/2023 school year:

- Semester: Argyle, Handsworth, Seycove, Sutherland, Windsor
- Linear: Carson Graham
- Mountainside: no change (schedule will remain the same)

A copy of the [letter](#) sent to families of students entering grades 8 to 12 in the fall, which includes information regarding the weekly schedule, is available for your review.

A high-level [executive summary](#) of the results from the Secondary School Schedule Survey held earlier this year is also available for your review. Thank you to students, staff and families who participated and shared their feedback. We are pleased to share we received 2,316 total responses!

Sparks, and mixed media sculptures and stop-motion video by Andrea Taylor.
