Good News Stories from the NVSD

Announcements

Thank You! Outdoor Safety & Emergency Preparedness Open House

The inaugural Outdoor Safety & Emergency Preparedness Open House, held on Saturday, May 7, at Argyle School, was a tremendous success! Visit the [event's website](#) to view photos from the day (scroll to the bottom of the page).

As you can see from the images, the day was filled with big smiles, whether from children climbing into rescue equipment, including helicopter, ladder truck, or ATVs; participating organizations eager to speak with members of the public; families connecting with first responders and experts in emergency management; student volunteers welcoming the community to their school; or school district staff, pleased to be able to bring the community together once again.

In addition to [participating organizations](#), the school district would like to extend its gratitude and thank the many individuals, municipal bodies, organizations and businesses who supported this year's family-friendly, community event. Visit this [event web page](#) for a complete listing.

For more information about the event, please visit the [event website](#) or contact the event organizers at asknvسد@sd44.ca.

May is Asian Heritage Month

Asian Heritage Month is an opportunity to learn more about the many achievements and contributions of Canadians of Asian heritage who, throughout our history, have done so much to make Canada the country we share today.

The theme for Asian Heritage Month 2022 is, "Continuing a legacy of greatness." This month is a reminder for all Canadians to come together to combat anti-Asian racism and discrimination in all its forms. Learn more [HERE](#).

Brooksbank Elementary to receive new accessible playground

The B.C. Government is providing funding for a new accessible playground at Brooksbank Elementary, as part of its Playground Equipment Program (PEP).

This year, the PEP will invest \$5 million in 30 new school playgrounds for 24 school districts. Each school district will receive \$165,000 toward each school's playground, which will be designed, built and installed over the next year. More information is

available through this [news release](#). *Congratulations to the Brooksbank school community!*

Mental Health Week + YouthLAB website

The theme for Canadian Mental Health Week 2022 (May 2-8) is empathy. *Empathy* is the capacity we share to step into each other's shoes, understand where others are coming from and what they are feeling, listen and not judge, and is one way to reduce and resolve conflict [[source](#)].

The Canadian Mental Health Association has gathered a [collection of articles and resources](#) we can all use to better support each other.

YouthLAB, a Family Services North Shore initiative that this year is made up of 11 secondary students from across the North Shore and Bowen Island, has developed a [Youth for You!](#) website. The site is designed to share with fellow peers reflections and perspectives on wellness, mental health and social justice related topics. YouthLAB student members hope the website both serves as a reminder that youth are not alone in their experiences and inspires empathy toward anyone who may be struggling. Read more about this year's initiative [HERE](#).

2022/2023 School Calendar update

The North Vancouver Teachers' Association (NVTa) has selected the three dates on which all schools across the district collectively schedule the same professional development days. For the 2022/2023 school year, these dates are:

- Friday, October 21, 2022
- Friday, February 17, 2023
- Monday, May 8, 2023

The two remaining school-based professional development dates will be determined by each individual school staff committee, and those dates will be published by schools to their local communities before the end of May.

To view a copy of the approved 2022/2023 School Calendar, please visit the [District Calendar](#) web page.

Rapid antigen test kits available to all families and staff

Earlier this year, all NVSD families and staff had the opportunity to access rapid antigen test kits through their school/site. We have extra test kits, and we would like to offer them to all families and staff on a first come, first served basis. To receive additional test kits, please visit Reception, located on the 2nd floor of the Education Services Centre, 2121 Lonsdale Avenue, between the hours of 8:30 a.m. and 4 p.m.

Homestay families needed

Each year, the North Vancouver School District welcomes students from around the world to live and study in our vibrant community. We strive to place secondary school international students with families who live close to school to support each student's integration into the school and wider community.

There are secondary school international students in need of a homestay placement for the school term beginning September 2022. If you are interested in hosting an international student, please reach out to our International Education program office at international@sd44.ca. More information about the homestay program is available [HERE](#).

Public Board Meeting – May 24

The next Board of Education Public Board Meeting takes place *in person* on Tuesday, May 24 at 6:30 p.m. Visit our [Meetings & Minutes](#) page for information on COVID-19 procedures for attending meetings in person, how you can provide input, and to review the complete agenda (available on the Thursday afternoon preceding the public meeting).

We can only hint at this with words – Exhibition open

Presented by the Gordon and Marion Smith Foundation for Young Artists, *We Can Only Hint at This with Words* consists of large scale, multi-surfaced mixed media paintings by Russna Kaur, shaped cut-out paintings by M.E. Sparks, and mixed media sculptures and stop-motion video by Andrea Taylor. All three artists navigate the complexities of working with historical reference, and in doing so, find ways to construct their own shapes and gestures. The exhibition will explore the different ways each artist quotes, pulls apart and reshapes the historical narratives that inform their work. For more information about this exhibition hosted at the Gordon Smith Gallery of Canadian Art, please visit the [exhibition](#) web page.
