

# Hockey Skills Academy

Established in 2004, the North Vancouver School District Hockey Skills Academy at Windsor Secondary School is a Hockey Canada-licensed Hockey Skills Academy. The Academy is operated in partnership with AK Hockey Group. This program is open to all students and supports every level of hockey experience.

The Hockey Skills Academy is an athlete-centred program aimed at developing the whole athlete. The goal is to enhance a player's confidence and self-esteem while providing them with opportunities beyond the secondary school system.

The Hockey Skills Academy program has developed and is proving to be an extremely positive experience for students. With the coordination of secondary school timetables in the North Vancouver School District, the program is accessible to students outside the Windsor School catchment area.

The program consists of the Hockey Skills curriculum as set out by Hockey Canada and the Physical and Health Education curriculum established by the B.C. Ministry of Education and Child Care. Students earn their grade level P.H.E. credit upon successful completion of the program. Leadership opportunities are available by request/invitation to senior students.
