

Secondary Enhanced Programs and Academies Night

Thursday, Jan. 23, 2020, 7 p.m., Sutherland Secondary School,
1860 Sutherland Ave., North Vancouver

MESSAGE FROM TRUSTEES

Welcome to Enhanced Programs Night!

Our seven secondary schools, each with their own unique culture, provide the courses and programming needed to graduate and be successful in a post-secondary world. In the North Vancouver School District, it is our Vision to “provide world class instruction and a rich diversity of engaging programs to inspire success for every student.”

Whether a student’s interest lies in the arts, athletics, animation or apprentice training – programs of choice can help them work toward graduation while accelerating experience that can form a foundation for future lifestyles and careers. Tonight, students and their parents/guardians are invited to learn about the many academies and specialty programs offered across our school district. We encourage you to ask questions of our staff stationed at the booths. Research shows when students feel a connection to what and how they

are learning, they are more successful academically and have improved mental health.

Sincerely,
Board of Education

AGENDA

7 P.M. - 8:30 P.M. Open house with drop-in booths
