

# Field Hockey Academy

at **Sutherland Secondary School**

The North Vancouver School District in partnership with the Field Hockey BC (FHBC) offers the Field Hockey Academy at Sutherland Secondary School. This Academy provides programming for all students male and female, regardless of their field hockey experience.

The Field Hockey Academy is led by FHBC and is complimentary to FHBC's Regional Program. As a result, all Academy players, provided they meet the selection criteria and program policies, will be eligible to compete in the Regional Tournament where Provincial Team selections are made.

The program consists of a field hockey curriculum focused on holistic athlete development, including technical/tactical skills training, strength and conditioning, and performance education, and the Physical and Health Education curriculum established by the B.C Ministry of Education. Students earn their grade level P.H.E. credit upon successful completion of the program.

The Academy is open to students in grades 8 – 12, and will be held in either Block 4 or 8 of the secondary school timetable, depending on the cohort and location

Participation in the Field Hockey Academy will not affect a student's eligibility to play for their home school's Field Hockey team.

\* Transportation to and from the Academy site is the sole responsibility of the parent/guardian. Training takes place in fall and spring at Rutledge Field, West Vancouver and Sutherland Secondary during winter months.
