

NVSD Mid-Year Instrument Repair

Student shows instrument to Band or Strings Teacher

If Band or Strings Teacher is unable to fix the instrument, contact Instruments@sd44.ca. Bring instrument to Long and McQuade (1363 Main Street, North Vancouver).

Let Long and McQuade know that this is a repair on an NVSD Elementary Band and Strings instrument.

Ask Long and McQuade to call you (the parent) when the instrument is repaired.

Pick up the instrument from Long and McQuade. Do not pay anything at Long and McQuade! If the repair is due to wear and tear, NVSD will pay for the repair. This is often the case. If the instrument has been damaged by the student, the repair will be taken off the instrument damage deposit or you will be billed by NVSD.
