

Inviting all 3-5 year-olds, not yet in Kindergarten, to come and play!

# Ready, Set, Learn

The North Vancouver School District welcomes 3-5 year-olds who have not yet started kindergarten to come and join us with their parents, guardians, childcare providers, or early childhood educators to **Ready, Set, Learn** – a free early learning event funded by the BC Ministry of Education.

The **Ready, Set, Learn** initiative is aimed at helping preschoolers get ready for school. It recognizes that families need to establish positive connections with schools and early learning community partners who provide resources and information.

When you attend one of the North Vancouver School District's **Ready, Set, Learn** events, your child will enjoy play based language and literacy activities. They will leave with arts & crafts, as well as parent information.

These free early learning events are sponsored by the North Vancouver School District #44, Ministry of Education, Ministry of Children and Family Development, and Ministry of Health.
