Collection, use and sharing of personal information

Schools and school districts are authorized to collect, use, and share student personal information that is directly related to and necessary for their educational functions. For other school or education-related purposes, parental or student consent is required.

The Board of Education of the North Vancouver School District No. 44 (The School District), is seeking your consent to collect, keep, use and share photographs, videos, images, and/or names of students enrolled in the StrongStart program in a variety of publications and on the StrongStart school location or School District's website(s) for education related purposes, such as recognizing and encouraging student achievement, building the school community, and informing others about programs and activities.

For example, StrongStart student names and/or images may be used or shared in:

- school and School District communications, such as class photos, school panorama photos, newsletters, programs, brochures, advertising and reports in limited or public circulation;
- school and School District websites, social media sites (e.g. Facebook, Twitter), online video (e.g. Vimeo), and news media, with limited or public access;
- videos, CDs and DVDs designed for educational use only.

Please note: school and district staff cannot control news media access, photos/videos taken by the media or by others in public locations (e.g. field trips or off school grounds) or school events open to the public, such as sports events, student performances, school board meetings, etc. These are considered public events.

I understand that images and information posted on the Internet may be stored and accessed outside Canada and subject to distribution beyond the control of the school or the School District. This consent may be withdrawn at any time in writing but withdrawal of consent does not require the school or School District to take any steps to withdraw from publication any previously published material. Unless withdrawn, this consent is effective immediately and applies until September 30 of the next school year.
