

## A Message from the Superintendent

Dear North Vancouver School District Community,

"Alone, we can do so little; together, we can do so much." – Helen Keller

As I reflect on the weeks gone by, it is truly remarkable how much we have accomplished this fall.

These past few months have seen schools rebuilding communities to their full extent as we emerge from some of the restrictions of the global pandemic. For many, schools are community hubs, and the ways we use space to learn, grow and connect with others has evolved to be more responsive and inclusive. As 2022 comes to a close, I am grateful to you all – students, staff, family and community members – for working together to ensure all learners are inspired daily through innovative instruction, are supported in their learning needs, and feel welcome and included in all areas of school life. Thank you for your continued commitment to making the North Vancouver School District a phenomenal, community-driven environment.

In addition, the hustle and bustle of the last few weeks has meant that on top of the teaching and learning taking place in classrooms, schools (i.e., staff, administrators, PACs, volunteers, etc.) have been hosting winter concerts and festivals, student pyjama or cozy sweater days, sports tournaments, movie nights, fundraisers and community-building activities.

Students have been immersed in a wide range of activities and initiatives to bring joy to classmates, families, and members of the community. For example, for Band and Strings Jazz Night, Windsor students took the stage for an evening of music at Mt. Seymour United Church. At Montroyal Elementary, students honed their acting skills with a school-wide production of *A Charlie Brown Christmas*. A season for giving, students and staff across the school district are actively engaged in initiatives to spread holiday cheer to others. Each of these endeavours is a testament to how together, we can do so much!

With all the busyness of the season, I sincerely hope the holiday season also provides you with opportunities to connect with family and friends, build community and create lasting memories. I look forward to reconnecting in the New Year.

Happy Holidays!

Dr. Pius Ryan

## Announcements

### Winter Break – Education Services Centre operations update

Schools will be closed for Winter Break (December 19, 2022 to January 2, 2023). The Education Services Centre (2121 Lonsdale Avenue) will remain open the week December 19 but will be closed to the public the week of December 26. Schools and the Education Services Centre will re-open on Tuesday, January 3.

### Lynn Valley Elementary approved for an addition

We are pleased to share the Province has approved funding for an addition to Lynn Valley Elementary school. The addition will add six classrooms and create capacity for 145 more students. Once construction is complete and students and staff move into the new classroom space (spring 2026), the school district will be able to eliminate the four portable classrooms currently on site. ## Information

### NVSD EV charging stations

The school district is standardizing its Electric Vehicle (EV) charging infrastructure, starting with the installation of new FLO charging stations at four sites. New chargers are now operational at Argyle Secondary and the Education Services Centre, with installations at Handsworth Secondary and Mountainside Secondary planned to occur over the Winter Break.

These sites were selected based on the availability of electrical infrastructure to support the new charging stations. The remaining secondary schools will be targeted for future phases of the charging-station rollout, along with elementary school sites undergoing major capital upgrades.

Charging stations on school district sites are intended to support the commute to and from school for students and staff, rather than being a substitute for home charging.

The installation of these EV charging stations represents the first step in a broader rollout of standardized charging infrastructure for students and staff and demonstrates the school district's commitment to Environmental Stewardship. Please contact [sustainability@sd44.ca](mailto:sustainability@sd44.ca) with any questions.

### **Policy 611: Privacy**

At the December 6, 2022 Public Board Meeting, revised Policy 611: Privacy was approved by the Board of Education. The [revised policy](#) has been posted to the school district website; administrative procedures will follow.

### **Homestay families needed**

Each year, the North Vancouver School District welcomes students from around the world to live and study in our vibrant community. We strive to place secondary school international students with families who live close to school to support each student's integration into the school and wider community.

There are secondary school international students in need of a homestay placement for the school term beginning September 2023. If you are interested in hosting an international student, please reach out to our International Education program office at [international@sd44.ca](mailto:international@sd44.ca). More information about the homestay program is available on the [International Education](#) section of the school district website.

### **Reminder: Supporting students and families in the community**
