Parent & Community Update

March 29, 2021

Dear Cleveland families,

Today we have two short information items.

## Lynn Valley Tragedy

The events on the weekend in Lynn Valley are terrible. Please do read [Mr. Pearmain's excellent message about this](#) and please also know that we are monitoring things at the school for any repercussions. We are heartened by knowledge that Cleveland is a safe and caring community and a good place to let predictable structure and rhythms give the comfort of normalcy. If you have any questions or concerns or an alert regarding your child please don't hesitate to reach out to Laura Stewart or Joe Campbell.

## New Covid Guidelines

The Province of BC gave a press conference today with updates on new Covid-19 guidelines. We are waiting on more updates but as soon as learn more about how this will specifically impact our local school situation we will communicate with families. Thank you for your patience and cooperation in these uncertain times.
