- Green Shirt Day is tomorrow April 7<sup>th</sup>, a day to wear a green shirt or a hockey jersey to raise awareness for organ donation! This is to honour Logan Boulet, a young hockey player who died in the Humboldt Broncos bus crash three years ago, and saved six people's lives by donating his organs. Let's all rally together to raise organ donation awareness. See you in green!
- Argyle's Grad council is putting on another Grad theme day this Friday as part of our month long theme of "Decades". This Friday is 70's themed so Grads, don't forget to dress up in your grooviest outfits!
