- Calling all girls interested in playing rugby this spring! There will be open gym sessions on Friday mornings in the small gym at 7:45 starting this Friday. Come to make some friends and learn the basics. If you are interested but not sure, come see Ms. Vukovich or send her a message on Teams for more information.
- Tomorrow we will have a belated celebration of the Winter Solstice, which occurred on December 21st. For Indigenous peoples, the Winter Solstice is a vital time for deep reflection, spiritual renewal, and community bonding. Come to room 150 at lunch Friday to bond with your Argyle community by playing Slahal.
- A reminder that tomorrow is homeroom Friday. Your period 3 classes start at 8:30AM.
