Dear Parents/Guardians,

We have now closed course selection for the 2026-27 school year. In February, students selected their requested courses and alternates in MyEducation.

Please take the time now to review the course selections your child(ren) have made (instructions below) to verify their accuracy. It is imperative students have selected the courses they need for post-secondary entrance and graduation.

We use the course selections students make now to build the timetable and staff the school for the 2026-27 school year. Students will receive their schedules on the first day of school. From August 31st – September 18th students may request course changes; however, we are not able to guarantee any course changes requested in September. Argyle is very full and class spaces are limited, particularly in senior grades.

If you need to make any changes to the requested courses, please email your grade counsellor by March 31st, 2026. If we do not hear from you by this date, we will move forward with the requested courses and build student timetables accordingly.

Please reach out to your [grade counsellor](#) if you have questions about course selections.

Sincerely,

Three handwritten signatures in black ink are displayed. The first signature is a stylized 'LA' for Laura Ames. The second is a stylized 'TI' for Tim Ireland. The third is a more complex signature for Shahrzad Motaghedi.
