Dear Argyle Families,

We hope everyone is keeping healthy and safe. On behalf of all the staff at Argyle we would like to say that we miss you! The youthful energy of teenagers is missing in our building and we are sad not to be sitting in the audience for our student performances, cheering on our athletes or being able to experience the energy of learning in our classes.

Thank-you to everyone who supported the Argyle Music Association's online silent auction. The AMA surpassed their fundraising goal raising \$5628. These funds provide scholarships and bursaries for graduating students in Argyle's music department.

We'd ask that you please take a few moments to read through the important updates below.

1. Interims

Interims will be published on the MyEd Parent Portal this afternoon. Please look for an email later this afternoon from "SysAdmin".

We would ask that you take a moment to login and review this report with your child(ren). For further details about interims please refer to the [letter](#) sent May 12th and the information on the first page of the interim report.

2. AP Exams

Well done to our senior students who wrote AP Physics and/or AP Calculus exams this week. They are to be commended for adapting to a new exam format and finishing these challenging courses while learning remotely.

3. Grads

Please watch for a grad letter coming next week with details about Argyle's Friday, May 29th filming of the Graduation Ceremony.

We hope you have a wonderful long weekend!

Warmest regards,
