September 14th, 2020

To Argyle Families,

I hope you had an enjoyable weekend despite the smoky skies. I look forward to welcoming students for their first full week of classes. It has been a unique and challenging start-up with new systems, protocols and routines to establish. We will continue to make adjustments as we go to best serve the needs of our students.

On Friday, I sent out the quarterly calendar and am sending out a revised one this morning as there was an error in the quarter 4 dates. The schedule is attached as a stand-alone document so you can save or print a copy.

I also wanted to share an update on the Frederick Road sidewalk and road construction. The contractor has informed me that paving is scheduled for Wednesday September 16th and the sidewalk concrete placing is scheduled for September 21st and 22nd. These dates are subject to good weather. During this time students may need to use alternate routes to the school, and parents may need to drop off/pick up on nearby roads. Please exercise a high degree of caution on Frederick Road.

On behalf of the PAC Executive I would like to invite all Argyle parents/guardians to the Argyle Parent Advisory Council (PAC) meeting taking place on Wednesday evening at 7pm. It is recommended that you download Zoom in advance of the meeting. Parents are also welcome to join the Argyle PAC Facebook page. Information about the PAC including a link to the Facebook page can be found on the Argyle website here: <https://www.sd44.ca/school/argyle/Parents/PAC/Pages/default.aspx#/=>

Below is the info to join the PAC Zoom meeting. The agenda is attached to this email.
