Hello Argyle Families!

Below is the schedule that we will use to have students pick up their personal belongings from their lockers on Monday, April 6th. Please know that your children's safety is of paramount importance to us. The schedule and all considerations have been designed to align with best practice as communicated by the Provincial Health Officer in minimizing any potential risks associated with the COVID-19 pandemic. As a result, you will note that we are asking students to not spend time and visit with friends.

At this time, we are asking for the following measures to be adhered to:

1. Only current Argyle students are allowed to access the school (no parents, guardians, siblings from other schools, etc. will be permitted).
 - a. Only the GYM FOYER entrance doors will be open and unlocked. The student parking lot will be closed to vehicles.
 - b. Students are to exit through the gym foyer doors.
 - c. While lining up students must maintain the required 2m apart as outlined in provincial social distancing protocols.
2. This is **not** a mandatory locker cleanout. If there is nothing that your child needs from their locker, **please don't come**. This is not an opportunity to connect with staff as they are not in the building, nor is it a time to socialize. It is time to collect items from lockers if they are needed at home.
3. No washrooms, classroom access, or garbage bins will be available. Students need to be prepared with bags/backpacks to take all items home.
4. Once the locker is empty, students are asked to leave the door open but with the lock attached and shackled to the handle. This will help our custodial staff with their cleaning. Locker doors and handles will be disinfected after the locker is emptied.
5. If your child has forgotten their locker combination, we will have these available.
6. We ask all students to respect this process, only accessing the school during their scheduled time. Students are asked to enter the building, gather their belongings, exit immediately, and go directly home. Students who do not comply with staff instruction will be asked to leave immediately and will not be allowed to access the building.
7. There will also be a labeled bin in front of the library for students to return library books. Students will not be able to sign out books.
8. Please wash your hands prior to coming to Argyle.
9. Do not come to the school if you are sick, if you are under self-isolation rules due to travel or have been exposed to others who are at a high risk of having COVID-19.
