Membership on the Argyle Students' Council (ASC) is an important responsibility, as well as an opportunity to be a member of a significant, meaningful and productive student government. You are expected to take this work seriously, and to act responsibly to fulfill your duties as a representative of the student body.

Terms & Conditions of Office:

The following are the terms of office for ASC members. You must read these carefully, and ***agree in writing*** to meet these terms to qualify for selection.

1. Term of Office

Term of office shall commence immediately after the selection process is complete. All terms of student representatives shall be for one (1) year.

2. Attendance at Regular Meetings

Regular meetings of the ASC will be held once a week (Lunch hour /Wednesdays). Special meetings of the ASC may be called, with ample notice to council members. ASC members are expected to regard attendance at all ASC meeting and functions as **primary obligations** to their colleagues and to the school. Failure to attend a meeting will result in an absence. There will be consequences for missing too many meetings without good cause (as per the Argyle Students' Council constitution).

3. Student Leadership Council Member Commitment

All ASC members are required to serve on a minimum of one event planning committee. Failure to participate on a planning committee is grounds for removal from office.

ASC activities are SHARED activities: All ASC members are expected to participate in ALL ASC events, unless otherwise specified by the organizing committee. All members must assist in some capacity, and participation must be for the duration of the event unless shifts are specified. Each ASC member is responsible to report their participation to the event organizer, and to provide a valid reason should they not be able to participate in an event.

I have read and understand the conditions of this agreement. If selected to the ASC, I agree to abide by the conditions of office outlined above. I will work to the best of my ability for the good of the ASC, the student body and the community as a whole.
