

## Kindergarten Transition Pre-School Program

# Jump into K!

### Dear Parents of children starting Kindergarten in September 2019:

We are delighted to be able to offer an 8 week pre-school program called **“Jump into K”** *designed specifically to support children who have had little to no pre-school experiences, or those who would benefit from additional time in a structured pre-school setting.*

The program will be offered at **Boundary School** and take place in the **StrongStart** classroom for **eight (8) consecutive Tuesdays from January 15<sup>th</sup>, 2019 to March 5<sup>th</sup>, 2019 from 1:00 – 2:30 PM.** The program is designed for a child and parent or adult care-giver to attend together. Knowledge of English is not a necessity and children of all abilities are most welcome. Please have lunch prior to the 1:00 PM start time and bring a nut free pocket snack to eat at the end of the session.

The children will work on skills that will help to prepare them to feel well prepared for Kindergarten in September. The program will support: academic readiness, fine and gross-motor skill development, as well as independence and social skills in a play-based learning environment.

The program is open to children registered at ANY school in North Vancouver. *We respectfully request that families commit to attending all eight sessions as spaces are very limited and we would like the program to run at capacity. We would like the group to learn together as a class of children which is why it is important for families to be able to commit to attendance.*

We will request a cheque for \$25.00 made out to the North Vancouver School District at the first session which will be returned if all sessions are attended. The costs of the program are supported through Early Years Centre Funding by the Ministry, and the support of the North Vancouver School District.

*Registration is limited and we will keep a waiting list of 5 families. Please see attached schedule and registration details.*

**\*\*Please Note: Participation in Jump into K! at Boundary Elementary does not imply that your child will attend kindergarten at Boundary for the September 2019/2010 school year.**
