

★ PUZZLE OF THE WEEK ★

Solved by: _____

It is fun and helpful to work on a puzzle with a group! Please make sure you list all the people who worked on the puzzle together (friends, classmates, family members). Please include last names and divisions too!

Use the follow math sentences to find the value of each of the symbols.

$$\text{Controller} \times \text{Controller} \times \text{Controller} = 216$$

$$\text{Switch} \div \text{Game Boy} = \text{Controller}$$

$$\text{Game Boy} \times \text{Switch} = 54$$

$$\text{Controller} = ? \quad \text{Game Boy} = ? \quad \text{Switch} = ?$$

Please submit your hard work to the box outside of Ms. Rush's room (209) or the office!

Special thanks to mashupmath.com for the puzzle
