

Puzzle of the Week

Date: _____

Worked on by: _____

Working together to solve a puzzle can be fun, not to mention helpful. To give credit where credit is due, list all the people who worked together on this puzzle. (They could be friends, classmates, and/or family members.) Please include last names and division numbers (for students).

Show your work!

Use the digits 1 - 9, at most once, to complete the equation.

What is the greatest result you can make (on both sides of the equals sign)?

$$\boxed{} + \boxed{} = \boxed{} - \boxed{}$$
