

BROOKSBANK

Compassion in our thoughts, words, and actions.

May 6th

Monday, May 6th is a Non-Instructional Day; school is not in session.

Student Placement

In the coming weeks the parent consultation form for student placement 2019-20 will be emailed to families. Please use this form if you wish to have input, as it facilitates our process and it is your opportunity to communicate with staff in writing, your thoughts regarding your child's class placement for next year. There is no need for followup emails. Also, please respect the deadline as late information will not be used in the class building process.

Vaping Presentation

All Grade 6 and 7 classes will participate in an anti-vaping presentation with our public health nurse this Tuesday, May 7th.

Mother's & Father's Day

As we celebrate and honour parents and families in our school community, we are going to be recognizing the diversity of family structures.

While some students have a mother and a father, others may have two moms, two dads, a single mom or dad, grandparents raising them, divorced parents or a range of other family situations. In order to welcome all students and their families into our celebrations, we, as many schools in the District, are moving away from creating cards and/or gifts specifically for Mother's Day and Father's Day at the class level.

We will host our annual Ice Cream Social as a celebration of all of our Brooksbank families. Inclusive celebrations of this nature help your children appreciate their own family as a valuable part of our Brooksbank community.
