

# BROOKSBANK

Compassion in our thoughts, words, and actions.

## Lost & Found

Please check the Lost & Found, located outside the gym this week. Any remaining articles will be donated at the end of the month.

## Report Cards

Please refer to [this page](#) for information regarding access to your child's report card. The goals are based upon the November conferences. You will need to reset your password as the system resets them after 90 days.

## Conference Survey

The Sutherland Family of Schools would like parents to [complete this survey](#) regarding the Student/Family/Teacher Conferences. Responses will assist the Family of Schools in refining the conference process.

Thank you to Ms. Ham of Queensbury for developing the survey.

## Christmas Events

Thank you so much to the PAC for the wonderful Jingle Mingle evening; the event continues to grow every year and is a true representation of the spirit of the Brooksbank community!

Thanks again to Mrs. Swarzbach and Mrs. Leslie for the Celebrate the Season Concert at Centennial Theatre, with all classes enjoying an evening audience with a variety of songs.

Thank you, also, to Mrs. Batista for organizing the Jingle Walk, in which all classes are participating. All food gathered goes to The Harvest Project, just in time for the busy holiday season.

Happy New Year, and thank you all for supporting our students in the variety of ways that you do. We're looking forward to seeing everyone on January 6th.

~ Spencer Kelly & Angela Meule
