THE CARD PROJECT

Our students are once again participating in this exciting fundraiser. They are already working on their special art projects.

The Card Project will turn our children's art into unique greeting cards!

The children will receive a free greeting card that showcases their own art. The back of their card is customized with their name and grade.

Look out for your child's card coming home at the end of March.

Orders are placed online. You can order more of your child's card and as well as notebooks and sketchbooks with your child's art on the cover.

Orders are due by April 14 and will be delivered by May 5.

This is a wonderful, creative fundraising initiative for our school.

By the way, the cards and notebooks make great gifts!

Please visit www.TheCardProject.ca for more information or contact Marcelle at marcelle@TheCardProject.ca
