

BROOKSBANK BULLETIN

Track & Field

Brooksbank had our highest participation rate in years, with 47 students going to the District Finals at Swangard. Thank you to the staff and parents that coached.

Report Cards

On June 27th the third term report cards will be published to the Parent Portal. The reports must be accessed prior to July 31st, at which point the files are lost as the system transitions to the 2018 - 2019 school year.

Instructions on accessing the Parent Portal can be found [here](#).

Backyard Shenanigans

Thank you to the PAC for a smoothly run event that benefits the school so greatly. It was fun to see so many people enjoying themselves while supporting the school.

Bike to School Week & Cops for Cancer

We are pleased to announce that during Bike to School Week, 749 walking trips, and 351 rolling trips were made to school. That's 1100 out of approximately 2000 possible trips to school.

Thank you to everyone who participated in the Bike Parade and Skills Course.

Brooksbank raised a total of \$305 for Cops for Cancer, who have already started their training rides on the North Shore.

Even though Bike to School Week is officially over, we encourage you to keep walking or rolling to school!

Lost & Found

Thank you to all the families who had a final look at the Lost & Found items. All remaining items were donated to The Harvest Project and victims of the recent fire in Lynn Valley. The Do Good Group also made a cash donation in support of the fire survivors.

Ice Cream Social

The Ice cream Social is a small way the staff can thank all parents and families for your support of students and the school community. The success of the school is a wonderful demonstration of staff and families working together to ensure success for all the children.

Thank you for all that you do, both at home and at the school.

Donate School Supplies

The North Shore Neighbourhood House is seeking donations of used school supplies. Bins for collection are in the school's entrance.

Can you help? We are requesting donations of 'end of the year' school supplies.

Each year we receive boxes of pens, paper, erasers, scissors, staplers, paint, etc. from schools and students in the North and West Van School Districts. These are collected by the children at the end of the year and then donated to our childcare services, low income housing residents, and food bank participants. NSNH provides childcare in 11 locations, and supports 450 families and children each day. We offer youth and seniors services across the North Shore.

Good-byes...

With the end of every school year, we say good-bye to students and staff.

We'd like to bid a fond farewell to Alica Elliot, who is going back to school, and Kaitlynn Hamner, who will be teaching at a different school next year.

Also leaving is the wonderful teaching team of Ms. Folk and Mrs. Parr, both of which we will know be in other schools next year.

Finally, we wish a happy retirement to Deb Nykyforuk after teaching at Brooksbank for 28 years.
