If you are interested in hosting an international student, please reach out to our International Education program office at [international@sd44.ca](mailto:international@sd44.ca). ## Fresh Air Fridays

Dear Parents and Guardians,

Spring is here and you and your children are invited to join us for **Fresh Air Fridays!**

The intention of **Fresh Air Fridays** is to encourage active travel – walking, biking, or rolling – to and from school and to reduce traffic and parking congestion on the streets surrounding the school.

The project will run between **Friday, April 19 and Friday, June 7**, with the goal of getting at least 60% of the student population of Capilano Elementary walking, biking, or rolling to school. There will be prizes and raffles for students who choose active travel to get to school, and there will be plenty of celebrating and fun activities along the way! Every Friday that a student walks, bikes, rolls, or drives to 5 will be a chance to win!

Families, we need your help to understand how people in our community are getting to and from school, and how we can make improvements to increase active travel! Please take 5 minutes to complete the Family Travel Habit Survey: <https://forms.office.com/r/pKzmcmzbjj>

### Why participate:

1. Students who engage in physical activity before school arrive ready to learn.
2. Get to know your neighbours and your neighbourhood.
3. Walking, biking, and rolling independently builds self-confidence and lifelong habits.
4. Fewer cars in school zones increases safety, improves air quality, and reduces carbon emissions.
5. It's fun!

### How to participate:

1. Please take the time to complete the Family Travel Habit Survey.
2. Walk, bike, or roll to school! If you don't already walk, bike, or roll to school consider trying it out on Fridays. Leave a bit earlier, plan your route ahead of time, or join a friend and walk, bike, or roll together.
3. If you have to drive, consider driving only part way. "Drive to 5" by picking a location with lots of parking about a 5-minute walk from the school. In our neighbourhood, anywhere along Keith Road between Pemberton Ave and Bridgman Ave is a great place to park and walk.
4. If you can't drive part way, support the students and families walking, biking, and rolling by taking extra care on the streets surrounding the school. Obey all traffic signs and expect to see more people on foot, bikes, and scooters.
