Calling All Soccer Fans!

Canada's next World Cup game is Weds, June 24!
Help us stay ahead of the game by **reporting your child's absence or early pickup in advance**: at 604-903-3370, capilano@sd44.ca, or using the School Messenger app.

Homestay Families Needed

Each year, the North Vancouver School District welcomes students from around the world through its International Program. To support their integration into the school and wider community, we strive to place secondary students with host families who live close to their school.

We have several secondary international students in need of homestay placements for terms beginning in September 2026, and February 2027. Information about the homestay program is available on the [International Education](#) section of the school district website. If you are interested in hosting a student, please contact the International Education office at international@sd44.ca.

Final Call for Library Books!

Thanks to your efforts we have located many of our missing library books! Before the school year ends, please take a moment to look on shelves, under beds, in backpacks, and anywhere else that library books may still be hiding. Students have been reminded about missing books they still have checked out. If you have already searched and cannot find a library book, please contact Mrs. Farrell at sfarrell@sd44.ca for next steps.

September Enrollment Planning

If your child will not be returning to Capilano Elementary in September, please let the school office know as soon as possible, ideally before June 24th. If your decisions are not yet finalized, you are still welcome to share your tentative plans. This greatly helps to support our planning and organization.

Please email the school office at capilano@sd44.ca or call 604-903-3370 at your earliest convenience.
