These online forms include **Walking Field Trip Permission, Student Acceptable Use of Technology, and NVSD Personal Information Consent (Photo Consent) and IB Informed Consent for Publication**. Please note - photo consent forms are "all or nothing." In other words, parents either consent to photos to be used for school purposes (in a variety of ways, such as class photos, class communications, school displays), or they don't. We are unable to accommodate individual requests for consent to some photos, and not others. Please consider this carefully when you complete this form.

**Paper Form** - Forms that were sent home include: **Student Information Verification (SIV), Student Release, and Student Emergency Identification**.

When filling out these forms, please ensure both parents (if applicable) complete the necessary sections and ALL alternate guardians have complete information, including signatures. We will not be able to release your child in the event of an emergency if the information is not complete and correct.

**\*All forms should be completed and returned as soon as possible.**

1. Use the [SafeArrival](#) system, or
2. Call (604) 903-3370, press '2' at any time to reach the absent line **\*leaving a message is the preferred method when calling, as the office is extra busy in the mornings during attendance.**

Please provide the first and last name of your student, grade, and division, if known. **It is important to let both the office and the classroom teacher know of any absences, late arrivals, or early departures.**
